Rants (sorry...)~ Raven

ravendragon409

Okay, i'm sorry...I'm just too mad at this to keep on holding it in...

Rant #1- Flipsides
Okay. This started GvE (Rant #2). This started a fight between me and Hootsie (with pretty mutch everyone on Hootsie's side, don't feel bad if you were)
over who has the right to have the name Raven. I ~~am kind of~~ EXTREMELY sick of Flipsides and GvE. It is everyhere, and there are so many threads about it. Everyone used to know who everyone was and everything, but now people are asking themselves, is this the real former or is it their flipside. People feel left out over not having a flipside/not being included. I hate the whole thing of this. People are saying nasty comments to Dark Siders/ Light Siders, and saying nasty things to people who WERE their friends! It is sad to see everyone with an "alter ego". As for my say on what I am doing with Crow, nothing. He is actually based off one of my cousin's new cats, Crow.(Let me tell you, I could also choose from Picachu, Jigglypuff and Charmander. No thanks)SO DO NOT TAKE CROW.

Rant #2- GvE
GvE (Good vs Evil) is one of those stupid drama things made up by formers that if you don't do, you're not "cool". Lie.Lie.Lie. Puppy isn't in it. Hydra isn't in it. GvE makes other formers snap out at each other, lie and (kind of) un-friend them. They are cold to others of the opposite Side (Dark or Light). (See Flipsides).

Rant #3- Taking other former's nicknames and using them for GvE
Hootsie's newly-named flipside Raven vs my nickname, Raven, which I have has since DAY ONE. Enough said. (Also, if you are a Crow, just tell me.)

Thank you for listening to my rants.

Okay, Raven.

Here's my argument.

1.

I am not cold to other people of the opposite side when out of character.

If you are talking about us on the GvE threads, I say, we are in character. It's a ROLEPLAY, not real life!

And I also feel entitled to defend my flipside and friends.

If you insult my flipside, you insult part of my personality.

If you insult my friends' flipsides, you insult something they have worked so hard to create.

Do not insult someone for having one.

2.

Do I say people aren't cool if they don't do GvE?

No.

Don't call GvE stupid.

Just because you don't like it doesn't mean it's "stupid".

3.

I don't think Hootsie intended to "steal" your nickname...

You are two separate entities, therefor, she didn't steal the name.

- ENDING MY ARGUMENT -

Do not hate me for stating these things.

I said them calmly didn't I?

I didn't shout and scream like I might have if I let HER take control.

Looks very mad at me

Shrugs

Some. Some formers are cold.

Okay. Answer this then: WHY DO YOU DO IT SO MUCH THAT IT SEEMS LIKE REAL LIFE

True

A flipside isn't really....how do I break this to you....umm...part of your personality?

Go back to the previous one. Read it over.

Not trying to. It's a rant. It is my opinion.

Some me people are just cold. But GvE has nothing to do with it.

Rolls eyes Because GvE is FUN. That's why we do it so much.

And in some cases, Flipsides represent a part of your personality.

And just because it's your opinion, doesn't make it less rude that you called GvE, Flipsides, and basically everyone in GvE stupid.

And no we DO NOT UNFRIEND PEOPLE JUST BECAUSE THEY ARE NOT IN GVE. ITS A RP. You are overreacting.

You aren't even in GvE. You can't say we are rude to each other because of GvE JUST BECAUSE YOU ARE UPSET A OC HAS YOUR, VERY COMMON, NICKNAME. Because, to be honest, that's probably the main reason you made this in the first place.

We can judge you for lying about how we are rude to each other because of GvE though. That's not a opinion, you said it as if it was fact. Which it's not, as its not true at all.

And it is my opinion that getting all upset that a OC had your nickname is ridiculous.

People have already days everything that needs to be said about the first two rants, so I'll do the third.

Raven is the literal opposite of a newly named flipside. She's the first flipside in GvE, which was started way before you joined. Hootsie never took anyone's nickname for GvE, and neither did anyone else that I know of.

It was not a fight. I pointed out that it was a funny coincidence that now the forums have two Ravens fighting someone named Crow. And that Ketchup and I had the name first. I never once told you that you couldn't use the name, or argued with you in any way.

Im not going to run away, I will defend the RP me and my friends are in and enjoy when you lie about it. And I will prove you wrong when you say things like that Hootsie stole your nickname.

In school, I am muted and shut out. My "friends" are really just kids trying to know my secrets so they could go behind my back and tell the world. I have found notes such as "Loser", "Jerk", "Spacey", "Not important", and some other very nasty comments in my desk. It's kind of like my desk is the home to them. I am easily forgotten, as I have not appeared in the concert program in my school for a year and in the orchestra society I belong to. When my best friend had extras of some pumpkin bread left over from a party we had in class for halloween, she gave everyone and extra except for me. Because of this, I easily snap. I am called a wierdo by my classmates because of my ADD. I can't foucus, and even so, I know it. I was put into the GEMINI program in my school. And I am bullied by a kid named Devon. Who is 1) My classmate 2) Sort of my...mentor, I must say, and 3) My crush's twin. I am called sushi for no apparent reason, and peers constantly use it and miss-say my name as Sarah, Suzie, Savvy, and a bunch of other names (My name is

Sasha). I can't rant in class because i'll get in trouble. I get chess pieces thrown at me at chess club, and the person who throws it throws it in painful locations (Head, forehead, cheek,chest,stomach, etc). Whenever I try to stand up for my self he says "I didn't do it" and they believe him. And I don't like to be muted or shut out. Let me rant. Let me share ideas. Let me learn through expereience. I said stupid things. Forgive me. I'm sorry that I called you Hydra, Basilisk. I just wanted to be heard for once.....

Raven has been on here since before GvE... But I don't know whether s/he had the *name* before GvE.

There is one part of this thread that *really* bothers me.

Ketchup: When you insult me and my flipside you are insulting part of my personality.
Raven: I don't know how to break this to you, but a flipside is part of your personality.

1) That's not...*neccisarily* true? Like, it is most of the Time but...
2) KETCHUP LITERALLY JUST SAID THAT. JUST NOW.

I don't see how you thought that lying about GvE and calling it stupid and saying you argued with Hootsie about Raven and basically the whole rant was a good idea. What you just said had nothing to do with that. There was NO REASON for the rant as it is basically all lies. If you want attention that is not the way to do it.
